PAST PERFORMANCE

Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future.

This chart shows the fund's performance as the percentage loss or gain per year over the last 10 years.

It can help you to assess how the fund has been managed in the past.

- Where no past performance is shown there was insufficient data available in that year to provide performance.
- Sub-Fund launch date: 14/12/2012.
